

Aransas County Airport Advisory Board
Aransas County Airport
421 John D. Wendell Road
Rockport, Texas 78382

MINUTES
January 5, 2011

The meeting opened at 0802. Members present were: Thurman Dobbs, Keith Kissinger, Travis McDavid, Duane Scheumack, Frank Shumate, and Bull Walker. Bob Kuhn and Airport Manager Gene Johnson were absent.

1. Received a briefing from Klotz Associates, Inc. regarding the installation of the Airport Fencing project.
2. Discussed PHI request to build a "Quonset hut" type of hangar for their helicopters. Overall ACAAB opinion was unfavorable and that that type of hangar would not be in keeping with the aesthetics of the airport but would hate to lose the fuel business and lease. If PHI balks Shumate would counter with proposing that PHI would have to build a ramp from the hangar to the taxiway.
3. Shumate asked each of the members if they would serve another year. Kissinger and Walker declined, all others present agreed. Recommend that the Board remain at 5 members.
4. Adjourned 0925.
5. Next monthly Board meeting will be **February 2, 2011**, at the same location.

Respectfully submitted,

D. B. Walker

D. B. Walker "Bull"
