To Whom It May Concern:

Please be advised that the Aransas County Long Term Recovery Team is experiencing some transition in its staffing. Mr. Mike Koerner and Ms. Amy Montgomery are no longer employed with the team. We want to profusely thank them both for all their hard work for Aransas County and wish them well in their future endeavors.

I have appointed Mr. John Strothman as our new team coordinator and am confident in his abilities to lead this critical effort. The rest of the team remains in place. In addition, Ms. Jennifer Heard will be taking on the role as our new volunteer and donations coordinator.

Should you need to reach any member of the Long Term Recovery Team you may contact us on our hotline at 361-790-9496.

Sincerely,
